#### **FOREWORD**

Our world, at Potomac State College, is a small world of education within the larger world, and this 1969 edition of the Catamount attempts within the pages of this book to portray our smaller world by representing the people, the activities, and the classes that make up our campus. These pages represent a treasure of memories for now and the years to come. We hope as our students strive to make the world more meaningful, they will from time to time look within the pages of this book and remember—with pride—the experiences and achievements at Potomac State College that enabled them to strive for and reach higher goals.

Sophomore Student Guides

There is a time to lead and a time to follow. At Potomac State the Freshmen had to follow and the Sophomore guides made them at home on campus. In our future days at Potomac State, and elsewhere, we should always keep in mind that a guiding hand is essential in our quest of attaining our dreams of life.

#### Vogues Set The Vogue For Music

A sensational display of talent and stage ability brought a near capacity crowd to its feet in a standing ovation as the nationally known singing group, the Vogues, concluded an hour long performance at the Church-McKee Arts Center, Nov. 25.

The four Pittsburgh area entertainers, who were backed by their own traveling combo, delighted the audience with a varied repertoire of music that ranged from popular to Broadway hit numbers and included vocal satires on TV commercials and the country music scene.

Bringing back memories with some of their old hits such as "You're the One," "Magic Town," and "Five O'Clock World," they also sang some of their more recent recordings such as "Turn Around, Look at Me," and "My Special Angel," both of which were rated high on national and local charts.

Besides their own hits, the Vogues also did a tremendous job with old favorites such as "My Funny Valentine" and songs from Broadway musicals including "Mame" and "The Impossible Dream."

The Vogue-Domain concert was sponsored by the Student Government and the Circle K Club with Wally Bunker in charge of publicity and Chip Shubargo head of ticket sales.

**DEDICATION** 

Helen Clare Criner

In 1947, there was added to the faculty of Potomac State College of West Virginia University a most able and efficient personality, Miss Helen Clare Criner, who has served the college in turn as Instructor in the Commerce Department, as Assistant Registrar, and since 1964 as Registrar. Her training at West Virginia University and the University of Pittsburgh, where she received the B.S. and M.L. degrees respectively, and her experience in high school and college teaching prior to her coming to Potomac State College fitted her admirably for the arduous duties she assumed at the college, for until 1966 she combined some teaching with her service as Assistant Registrar and later as Registrar. Miss Criner's record at Potomac State College has been one of unflagging devotation and loyalty to the college and the students who comprise it.

Her office is always open and her services are available to prospective students and their parents for consultation, and her time and help are unselfishly given to students with credit problems who are invited to seek her assistance in resolving such difficulties.

Her ability and efficiency are known far beyond the limits of the local college community, and she is most highly regarded in professional and collegiate circles throughout the state of West Virginia.

The members of the Catamount Staff, aware of the indebtedness of the college as a whole and of the individual students to Miss Criner and grateful for her interest in the academic progress of all the students, are honored to dedicate this volume of the Catamount to a good friend, an excellent teacher, and a valued administrator, Miss Helen Clare Criner.

#### Acting President's Message

A college yearbook illustrates, better than any other medium, changes in our time. The student body changes each year; new buildings — this year the new academic building — begin to take form and add to the changing complex of the campus; new programs develop with transfer and technical studies illustrating changing conditions, changing interests and changing values. Within this constant pattern of change, it is hoped that the intrinsic values which have ever marked the spirit of Potomac State College will remain with those of you who some years hence will review once more this fine record of 1968-1969.

### Student Council

The Student Government, the governing order of the Student Body, has as its goals to further school spirit and to achieve a cordial understanding between students and faculty. Its duties include the organization and management of many activities on campus.

The Council provided guides to welcome freshmen, distributed Freshman Rules, and sold "beanies." Members of Student Government helped with the Homecoming activities by forming committees for the parade and sponsoring the dance. Letters and sweaters for the athletes and new megaphones for the cheerleaders were purchased by the Council.

Student Government sponsored a folk concert given by Michael Henderson and Brenda Robbins. They also organized a faculty-student basketball game and sponsored several informal dances.

The major activity sponsored by the Student Government was the appearance of The Vogues and The Domains in a two-hour concert on November 25. The concert attracted an audience of over 600 students and adults, and the performance drew a well-deserved, standing ovation at the finale.

The Legislature worked diligently throughout the year to uphold the Constitution by trying "to promote a common understanding, to provide for the orderly conduct of the affairs of the college, to elevate the standards of scholarship, and to increase school spirit."

# Catamount-Our College Yearbook

The staff of the 1969 CATAMOUNT has strived to put together an annual which will serve as a display window for the college, a reservoir of memories for the students and a historical account for future posterity.

The planning of the book is begun one year in advance with the selection of the staff. Culminating with the final editing and proofreading and distributing of the books, the cycle is ready for repetition for another year.

Among the pages of the 1969 CATAMOUNT are features depicting campus life. In this yearbook are photographs of two years of striving and achievement. We hope that events recalled and held dear will be of significance to all students.

The 1969 CATAMOUNT represents many laborious sessions resulting in a single opportunity for success or failure. The staff must be prepared to meet the judgments of the readers once the books are distributed in May.

This year's CATAMOUNT is presented to the Student Body with the hope that it has successfully summarized a various cross section of campus functions, each representative of the emphasis and influence of our Alma Mater.

Editorial Staff Plans Next Issue of Pasquino

Presenting for its 47th year, news and views of the campus, the Pasquino, the college's newspaper, is staffed by journalism majors in editorial positions and by several non-journalism majors in other departments of production.

The editorial staff gets experience not only in news gathering, newswriting, copyediting, headlining, and pay layout, but is responsible for page paste-ups in preparation for offset printing at the News-Tribune. The press run averages 2, 300 copies, with over 1,200 copies mailed to parents of non-commuting students, many alumni, friends of the college, many other colleges and high schools, and to advertisers.

Sponsored by the Pasquino is the publication of the annual Student-Faculty Directory and a spring press banquet.

### Circle K

The Circle K Club of Potomac State College is the only true service organization on campus and is dedicated to the ideals of service to the college and the community of Keyser. The club was established in 1952 and was issued certificate number six when Circle K became international. At the present time, there are 744 Circle K. Clubs and over 14,000 members in the United States and Canada. The club is made up of young men of good character and scholastic standing, whose only returns from their service to others is the thanks and appreciation that comes from such work.

The club has had another active year, the major projects being the following: sponsoring the Homecoming parade, bringing the Red Cross Blood Mobile to the campus, working at basketball and football games, loaning the student government money to bring the Vogues to campus, delivering birthday cakes to the students, delivering "starvation kits" to the students during the final examination periods, and many other such projects of service. The Circle K theme for 1968-1969 was to aid disadvantaged children. In fulfillment of this theme the Circle K helped the Mineral County Mental Health Development Center. They transported children to the center and helped with the training at the center.

The Potomac State College Agriculture Club is open to all students majoring in Agriculture, Pre Veterinary Medicine, and Forestry. The Agriculture Club was organized in October, 1954, and since then has strived to develop the use of parliamentary procedure at its meetings, to develop cooperation, citizenship, and leadership, and to develop and promote recreational activities for the members of the club.

The activities of the Agriculture Club are planned on the basis of pleasure and profit. The annual shooting match is always a great success and along with planned sale of beef, pork, and flower bulbs the club hopes to make enough money to carry out some of its various planned activities. These activities are a planned field trip, a barbecue to which the faculty was invited, and a planned field trip to be taken with the Home Economics Club to a point of interest of both clubs. Also, a joint meeting and party was held with the Home Economics Club.

### Engineers Club

The Engineers Club, lending a professional atmosphere to the academic life of the engineers on the campus, has been in existence since 1932. The main purpose of the organization is to make the student engineer aware of the professional aspects of engineering. This is accomplished by inviting practicing engineers to give talks at meetings, the showing of industrial films, and taking trips to nearby industries. Qualifications for membership insures a high calibre organization on campus. During the past year the occupational technology students were accepted into the organization. Projects for the year provided a permanent set of bench marks on the campus, and laying out the tennis courts for team play. At the end of the school year, the club enjoyed a trip to a nearby industry, followed by a year end banquet with an invited industrial leader as speaker.

The Potomac State College Chapter of Home Economics is affiliated with the West Virginia and American Home Economics Association. The symbol of these groups is the Betty lamp. This symbol stands for the simplicity of American homelife and the idea of spreading light on an orderly household. The Chapter's aid is to promote interest and spread information concerning the wide field of learning of home economics.

We began the year with a group of Get-Acquainted meetings in honor of the freshmen. In October, we conducted the annual mum sale at Homecoming. Our biggest project of the year was the Christmas party we sponsored for selected children from Keyser Elementary School. In February, our group toured the home of Mr. and Mrs. John Somerville, Bel Air, Maryland. Mrs. Somerville presented an informal program pertaining to some of her creative hobbies. Members of the faculty presented various programs during the year.

The Christian Youth Fellowship was organized on Potomac State campus in 1949. This organization strives "to bring Christian youth of Potomac State College into closer contact with the church and to deepen their devotional life through recreation and fellowship." Constructive programs are presented by the various members at the meetings which are held each Monday evening. Mr. W. Earl Michael serves as faculty advisor at these meetings.

The Christian Youth Fellowship co-sponsored Spiritual Emphasis Week and sponsored the Pre-Easter Communion and Pre-Easter worship services for Protestant students. It also participated in several campus events. The highlight of this year was sponsoring the creation and opening of the "Side Door"—a coffee house where students could meet for discussions. The "Side Door" was located in the basement of the Grace Methodist Church.

The Newman Club, one of the two religious organizations on campus, strives to interest the Catholic students in principles of their faith. The regular meetings, supplemented with informal discussions and debates, were held bi-monthly. These topics dealing with controversial issues in the church and moral questions helped advance the concept of Christian principles for students living in the college community.

In addition to the meetings, the Newman Club sponsored other activities. The second Sunday of each month was Newman Communion Sunday. Members sat together and then received communion as a group. The sponsoring of a spaghetti dinner at St. Mary's Hall, continued from the previous year, proved once again successful. In cooperation with the Christian Youth Fellowship, the Newman Club planned Spiritual Emphasis Week. Choosing the speaker, topics for discussion at the seminars, and the film Rebel Without a Cause were among the preparations for the program held February 9-12.

Reynolds Hall

The Women's Residence Association, which is composed of all women living in Friend and Reynolds Halls, aims to create a friendly, co-operative atmosphere in the Women's Residence Halls. Established on December 7, 1944, the association works in coordination with the two Hall Councils to further desirable living standards in the Residence Halls. The organization endeavors to contribute to the social and the cultural aspects of college life.

The WRA has been very active this year. Some of their activities include participating in the Homecoming Parade, aiding with the Parents' Day Activities, having a most successful Halloween Open House for faculty and men students, and sponsoring the annual Christmas parties in the halls.

During the second semester, the WRA Council, cooperating with the Hall Councils, worked on the revision of the regulations for women living in residence.

In recent years the WRA has had as a project the presentation of paintings to the lounges of the two halls. It is hoped this will be completed this year.

The WRA won first prize in the "Paint In" for campus groups sponsored by the Circle K Club with a painting titled "Inspiration" by Susan Bartlett.

### Women's Athletic Association

"A sport for every woman and every woman in a sport" is the motto of the Women's Athletic Association. It was organized to popularize women's athletics and to provide leisure time activities.

The aims of this organization are to develop standards of leadership and sportsmanship and to promote those activities which may be adapted to the leisure time of later school. Intramural games are bowling, volleyball, basketball, ping-pong, badminton, and shuffleboard.

The club is open to all girls enrolled in Potomac State College. A total of 250 points entitles a member to an emblem. These points are acquired by participation in tournaments, attending meetings, and in other ways.

W.A.A. made corsages for the mothers on Parents Day. The project proved extremely successful.

The Insight for Action Committee was formed last year by a coterie of Potomac State students, sponsored by Mr. Coffey, of the college History Department, interested in actually doing something about poverty. Since that condition thrives in parts of Keyser, members began helping underprivileged children at the local Potomac Heights Community Center. Most members tutor a child in one or more of the "three r's." For many of these children, there is a lack of concern at home about their progress in school. If a child knows that he has a "big brother" or "sis" who is concerned about him and willing to listen and help him, he may gain the courage he needs to continue working, and there is a better chance for him to escape the ranks of the high school dropouts. Additionally, volunteers assist the center's 4-H Club and help direct sporting events. A field trip to the mountains with about forty children highlighted previous years activities. Above all, members have become college pals to children often badly in need of friendship, guidance, and inspiration.

The players, organized in 1919, was established for the presentation of theatrical productions, with the purpose of instructing interested students in acting, set direction, stage make-up and lighting techniques.

The combined efforts of twenty-six members provided two first semester presentations, William Soroyan's "Beautiful People," and the Potomac State College Showcase, in co-operation with the Stage Band. The Players were also associated with the faculty production of "Don Juan in Hell."

The opening play of the second semester was Sidney Michael's "Dylan." Three one-act plays and the traditional children's play concluded the year's activities. The highlight of the year was the presentation of "The Fantasticks" (a parable about love) presented by a cast of faculty and students.

### Potomac State Singers

The Singers, the college choral organization, is a mixed chorus open to all students by audition. The group performs both sacred and secular choral literature chosen from the works of the earliest masters to those of the present day. Performance responsibilities of the Singers include the Christmas and Spring programs and the series of programs presented while on tour to high schools throughout central and eastern West Virginia and neighboring states. The Singers are sometimes called on to perform for various other college programs and functions. The year's activities usually close with the Singers' participation in Sermon and Commencement.

Founded in 1923, Sigma Phi Omega Honor Fraternity was established at Potomac State College to foster scholarship and citizenship. A student-faculty organization, it has remained a local honor society with its own constitution, ritual, insignia, and traditions. Throughout the years the prestige of this organization has grown, and today membership in it is a coveted honor.

Sigma Phi Omega makes important contributions to campus life each year. Two convocations are sponsored by the group. Know-Your-Organizations is held during Freshman Week to acquaint new students with the various campus organizations, their history, officers, and objectives. Recognition Day summarizes activities of all campus groups and furnishes the setting for honors and awards presented to outstanding Potomac State students.

The fraternity always closes its activities with a spring banquet honoring new members and the parents of all members. On this occasion an outstanding personage is invited to be guest speaker.

Members of Sigma Phi Omega strive to be faithful to their pledges made upon entering the organization: to maintain high standards of scholarship and citizenship and to cooperate with the college in every way possible.

# Roth Military Honorary Society

The Roth Military Honorary Society was organized in 1953 to pay tribute to students enrolled in ROTC who maintained a high academic average in ROTC and their other academic subjects and who displayed moral integrity and citizenship.

The society was named after Col. Samuel Roth, who was instrumental in establishing the ROTC program at Potomac State College. Col. Roth was the Professor of Military Science at West Virginia University.

To be invited and accepted into the society, a student must attain a minimum grade of "B" in Military Science and have an overall academic average of "C" or better.

The preamble of the society's constitution best serves to state the purpose and objectives of the society.

"We, the members of the Roth Military Honorary Society, in order to foster, develop, and preserve the highest ideals of the Military Profession, to promote American citizenship, to encourage and increase leadership, and to provide recognition of a high degree of military attainment among the cadets of the Reserve Officers Training Corps unit at Potomac State College of West Virginia University, do hereby establish this constitution."

Under the leadership of Ronald Jenkins, the organization has been active. The annual Roth Banquet was held in November and highlighted the first semester activities which included initiation of new members, entering a float in the Homecoming parade, and supporting the Catamount Rifle Team. The second semester saw Roth sponsoring the annual Military Ball in April, selecting a queen to reign over the ball, initiating freshmen members, and nominating ROTC Battalion sponsors for election by the freshmen of the Battalion. Throughout the entire year, Roth sponsored and conducted ceremonies of a military nature in conjunction with college events.

Members of the society are distinguished from other members of the cadet corps by the scarlet and white ribbon and fourragere worn by all members. Membership in Roth Military Honorary Society is considered a scholastic achievement which is a status sought by all cadets and will as such inevitably carry on in the fine traditions characteristically sought by this organization.

The Catamount Rifle Team is sponsored by the Roth Military Honorary Society and is affiliated with the National Rifle Association. To become a member of the team, one must meet requirements set forth by the National Junior College Athletic Association. The aim of the rifle team is to encourage rifle marksmanship and shooting safety. Sophomore members are awarded sweaters; freshmen members are given letters if they compete in the required number of matches.

The return of seven experienced sophomores and the addition of several freshmen produced a well-balanced team. After their first eleven matches, which were a combination of shoulder to shoulder and postal matches, the Catamount Riflemen compiled four wins and seven losses. In postal matches, the team competed against such teams as the U.S. Naval Academy, University of Tennessee, University of Virginia, Bucknell University, State University of New York, and other colleges and universities throughout the country. The highlight of the season came in an upset win over the University of Ohio.

Freshmen riflemen have increased in both skill and confidence, making the outlook for next season very promising.

# Military Marching Band

The Potomac State College R.O.T.C. Marching Band is made up of men regularly enrolled in the ROTC program and volunteers from the sophomore class. Members may earn up to twenty ROTC merits for participation and may also earn one hour of college credit. In the fall the band performed for the ROTC noon formations, the home football games, and for several parades. The annual inspection and the President's Review highlighted the spring season.

The first drill team is a volunteer organization whose members are selected on a competitive basis for proficiency in drill. The first drill team was organized October 30, 1957, under the command of cadet Captain Byron Athey. The purpose of the drill team is to develop leadership potential through the discipline of precision drill and to represent the Reserve Officers Training Corps in local and campus activities. The team strives to maintain high standards and individual members must constantly improve in order to remain with the team. On October 5, 1968 the team participated in the Elkins "Forest Festival" and won praise and high grades from tournament officials. On October 26 the cadets took part in the Bruce High School "Homecoming Parade" and finished the month by performing in the Cumberland "Halloween Parade". During November, the team marched in the Keyser "Homecoming Parade," presented a drill exhibition during halftime of the Parents' Day football game and participated in the Veterans Day ceremony in Keyser. Under the command of Drill Master David Chapman, the Drill Team brought credit upon itself and on Potomac State throughout the Tri-State Area.

### Eta Upsilon Gamma

Tacy Murphy, President

Eta Upsilon Gamma Sorority was founded at Christian College in Columbia, Missouri, in 1901. It is the oldest national junior college sorority in the National College Panhellenic. The aims of Eta Upsilon Gamma are to promote achievement, stimulate school spirit, and to broaden and enrich friendship.

Eta Upsilon Gamma began the year with an informal rush party to entertain prospective pledges. Refreshments and entertainment highlighted the occasion, and as a result, Omega chapter inducted twenty-two pledges into the sorority. October, the month for Homecoming activities, found Sheila Dahmer reigning as Miss Catamount. During Homecoming the sorority combined efforts with their brother fraternity, Theta Sigma Chi, and entered a float in the annual Homecoming parade. The float was selected for a first prize. In November, Yvonne Keplinger was elected to reign as Queen of the Harvest Swing, which was presented with our brother fraternity. In December, all actives and pledges were guests at the Gamma Christmas party, with gifts being exchanged between the big sisters and their little sisters. Second semester started with the pledges going active and receiving their mugs and sweatshirts. During the spring semester, Gammas held a rummage sale and a work week to raise money. During work week, the girls performed odd jobs for the faculty and administration of Potomac State College. Active participation in school government has always been a characteristic of Eta Upsilon Gamma, and this year has been no exception. Tacy Murphy served as Vice-President of the Sophomore Class; Patricia Sherman was Secretary of the Sophomore Class; and Yvonne Keplinger served as Sophomore Representative to the Student Council. Sheila Dahmer and Patricia Sherman were R.O.T.C. sponsors. The social season ended with the election and installation of officers and the annual spring banquet honoring the sophomore members.

## Theta Sigma Chi

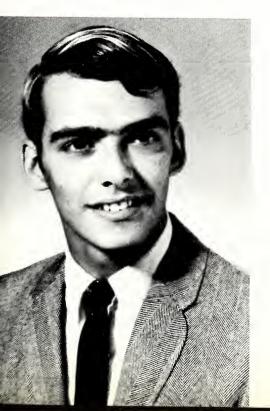

Theta Sigma Chi Fraternity was founded in 1922, and is designated Alpha Chapter of the National Theta Sigma Chi Fraternity. Its objectives are the development of high moral character, the promotion of brotherhood, justice and fidelity, stimulation of school spirit and the strengthening of Potomac State College.

Theta Sigma Chi is an active participant in campus activities. In the fall, it sponsored the election and coronation of the Homecoming Queen. Theta Sigma Chi sponsored this year's Miss Catamount, Miss Sheila Dahmer. At the Harvest Swing, Benny Marina and Yvonne Keplinger were crowned king and queen. In December, a Christmas party was held at the home of Mr. Ervin L. Dayton, faculty sponsor.

Especially important this year was the presentation of the Panhellenic Merit Award for the Outstanding Fraternity of the school year 1968-69.

Many Thetas held various outstanding positions in numerous campus organizations. Among these are: Benny Martina, president of Panhellenic and Squad Leader of the R.O.T.C. Drill Team; Scott Wilson, president of the Student Body, Executive Officer of R.O.T.C. and a Squad Leader of the Drill Team; Dave Chapman, Drillmaster of the Drill Team, West Virginia District Secretary of Circle-K International and vice-president of Sigma Phi Omega Honorary; Melvin Michael, president of Circke-K; Steve Brown, Treasurer of Sophomore Class; Louis Gates, Treasurer, Freshman Class; and Mike Joseph, vice-president, Freshman Class. President's List Scholars from the Theta Sigma Chi Fraternity included Dave Chapman, Louis Gates, and Scott Wilson.

Theta Sigma Chi is grateful to Mr. Ervin L. Dayton for the twenty-two years he has devoted to the Fraternity.

## Kappa Delta Psi

The year began with an informal Rush Party with their brothers in the Science Hall assembly room. After the principles of the sorority were explained, a dance was held. Homecoming proved to be a busy time, as usual, with the construction of the float which would represent them in the parade. Shortly after, Hell Week began and pledges were "tested" before they were allowed to participate in a formal ceremony and become a Kappa. At Halloween, the girls again had a party with their brothers. The end of the semester was climaxed with the giving of two meal tickets to elementary students, and a formal Christmas party at the home of one of their patronesses, Mrs. Charles Whitehill. In the Spring, Kappas co-sponsored the Easter Ball with their brother fraternity. Highlight of the year was the banquet at which the year's activities were reviewed and next year's officers were announced. Kappas also contribute to the scholarship fund.

Kappas are active in many campus organizations. Special positions are held by the following: Sharon Cannon, Accompanist for the Stage Band and a member of Sigma Phi Omega Honor Society; Linda Diguistino, member of Sigma Phi Omega Honor Society; Joanne Hoyer, secretary to Panhellenic; Brenda Jackson, President of the Women's Residence Association; and Sandy Seth, member of Potomac State Concert Band.

# Phi Kappa Omega

Since its founding at Potomac State College in 1949, Phi Kappa Omega has fostered the ideals of promoting leadership, developing a feeling of brotherhood among its members, strengthening moral character and encouraging academic achievement. Individual initiative and loyalty to the college and fraternity is a must with Phi Kappa Omega members. This brings steadily growing stature to a brotherhood proud of its position in the social life of Potomac State College.

Various activities are sponsored by the fraternity throughout the school year. The annual rush party, co-sponsored with the sister sorority, brought ten pledges into the fellowship. October brought not only autumn but also Homecoming. Phi Kappa Omega Fraternity worked with the sister sorority to sponsor a float in the Homecoming Parade which netted second place. Loyalty to the college and support of the athletics were exemplified by the members by building a bonfire for the Homecoming activities. Intramurals were welcomed by the fraternity with football, volleyball, and basketball teams. March was honored with the traditional Easter Ball, which is the highlight of the fraternity's activities.

Phi Kappa Omega is proud of the high moral character and integrity of its members. They spread the fraternity's high ideals among the students and constantly strive for betterment of themselves and Potomac State College.

Sigma Iota Chi is the largest national Junior College Sorority in the United States. Greer A. Duncan founded the sorority in 1903. Epsilon Chapter at Potomac State was established in 1923. The purpose of Sigma Iota Chi is to perfect and in our everyday life carry out the meaning of sisterhood, to be forgetful of self and mindful of others, and to reach the highest standards possible, mentally, morally, and physically.

The annual rush party was held in September with our brother fraternity, Phi Sigma Nu, at the Heritage House. The thirty pledges who were received immediately set to work on the float for the Homecoming Parade. In December a Christmas party for the sorority was held at the home of Barbara Coffman. Gifts were exchanged by the "big" and "little" sisters. On February 8th, Sigma Iota Chi sponsored the Sigma Sweetheart Ball. The highlight of the year was the final banquet at which the new officers were initiated.

# Phi Sigma Nu

Phi Sigma Nu has been an outstanding social fraternity at Potomac State College. With its founding on campus in 1922, the fraternity holds membership in the National College Panhellenic and is titled Beta Chapter of the National Phi Sigma Nu Fraternity.

The objectives of the fraternity are to promote leadership, develop a feeling of brotherhood among its members, strengthen moral character, and encourage academic achievement. The fraternity demands individual initiative and loyalty to the college from its members.

The year began with a rush party which brought many pledges into the fraternity. The fraternity competed with the other fraternities and independent organizations on campus in football and volleyball. The fraternity presented an excellent Art Show in the Library, consisting of many wood carvings, stone works, carvings done in seeds, and so forth. The fraternity presented a fabulous Psychedelic Christmas dance. The second semester began with the pledges turning active. Then the fraternity sponsored a record hop which boasted a Philadelphia disc-jockey.

Phi Sigma Nu is proud of the high moral character and integrity of its members. They spread the fraternity's high ideals among the student body and constantly strive for the betterment of Potomac State College.

The Panhellenic Council is the governing body of the fraternities and sororities and correlates their campus activities. The Council promotes good fellowship and cooperation among the Greek organizations, and assists in maintaining "esprit de corps" and engenders within the student body high ideals of life, character, and citizenship. One of the highest honors is for a member of a sorority or fraternity to be elected as a representative to the Panhellenic Council.

Two members, one of which is the president, from each of the Greek organizations on campus form the Panhellenic Council of Potomac State College. The members meet on the first Monday of each month to discuss fraternity-sorority relations, problems, or suggestions for campus activities. Of primary concern is the regulation of Rush Week, Hell Week activities, and fraternal participation in campus elections.

# ATHIBLIS

Potomac State Catamounts Football 1968 Season

Too late, fellows, O'Mahoney's down!

Coach Dana G. Lough's Catamounts completed their 1968 football season winless, posting a 0-7 slate. Finishing his 34th year as gridiron mentor, Coach "Horse" Lough was plagued with deep problems due to only five returning lettermen.

The sailors of the Bainbridge Naval Academy upset the Catamounts in their season opener at Staymen Field 42-13. Tom Landis fired a 5-yard touchdown pass to Bill Haddox in the second quarter, with Haddox kicking the extra point. In the third quarter, Haddox returned Bainbridge's kickoff 74 yards for a touchdown.

The Chowans Braves handed the Cats their second straight defeat when they romped to a 48-13 victory at Murfreesboro, North Carolina. With several starters injured, the Loughmen's hopes were damped. Richard Avjean's 95-yard kickoff return and Haddox's 10-yard touchdown pass to Stan Schaffer added a spark of color to loss.

Nassau Junior College scored once in the second and third quarters to down a stubborn Potomac State College squad 13-0 in the annual Homecoming game at Staymen Field. The Cats' persistent defense held the Long Islanders to only seven points in the first half. However, the offense was plagued with penalties and forced to punt consistently.

Montgomery Junior College of Rockville, Maryland, stopped by a stubborn Potomac State defense in the first half, spurted for three touchdowns in less than 12½ minutes of the third period to overcome a 3-0 deficit and go on to win, 26-3. The Cats' only score came off the foot of Bill Haddox. The locals drove to the MJC four before a penalty set them back to the nineteen. Following an incomplete pass, Haddox booted a 29-yard field goal in the second quarter.

Hosting the PSC gridders at Dover, Delaware, for a Saturday night contest, Wesley Junior College handed Potomac State its fifth straight loss of the season, 40-6. Bill Haddox, a mainstay for the Cats, put the only Catamount points on the scoreboard with a 15-yard run in the first period against a superior defense, State was forced into an aerial game. Completing only 13 of their 29 passes, quarterbacks Landis and Haddox gained only 140 yards in the air.

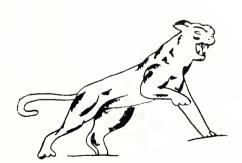

Harford Junior College of Bel Air, Maryland, defeated Potomac State 21-13 in the annual Parents' Day game. In the second quarter, Bill Haddox fired an aerial to Tom Campbell for 13 yards. He then added runs of six and nine yards. Haddox then plunged over the goal line for the one-yard touchdown, climaxing a 30-yard drive. The Cats' final score came in the fourth period. Jerry O'Mahoney and Haddox carried the brunt of the load with Haddox scoring from six-yards out.

In the Catamounts' last game of the season, Baltimore Junior College ruined Coach Lough's hopes of winning one game by trouncing the Cats 44-0. Baltimore was just too much for the Cats, scoring six touchdowns and adding one safety.

Though the Catamounts lost all their games, those battle-ridden boys who stayed and played hard against some of the best teams in the tri-state area will long be remembered by this institution and the beloved "Horse" for their courage, will, endurance, and determination against unsurmountable odds.

### 1968-69 Basketball Season

Coach Dana G. Lough started his 39th season as the head coach of the Catamounts with an impressive win over Altoona 75-71. Freshman Bobby Hott started off the season shooting 10-20 and 4-6 at the foul line. Bill Haddox's ball-hawking proved to be a decisive factor. In the second game, Johnstown, Pa., scorched the nets for 59 points in the second half to hand the visiting Catamounts their first defeat, 93-66. Again Bobby Hott led the scoring, netting 21 points, with Bill Haddox chipping in 15 and Marty Williams adding 13.

The high-scoring Hagerstown quint handed the Cats a 122-83 loss for the second defeat. Bobby Hott continued to burn the home court nets with 26 points, while Bill Haddox added 16 points to the effort. Allegany Community College used high-scoring performances to offset the Cat's Bobby Hott, who meshed 40 and went on to win 110-86 at the local gym. Bill Haddox chipped 13 and Mike Lynch added 10 to the effort which succeeded in tieing the game 50-50 at halftime. The Cagers of PSC closed the pre-holiday festivities by losing to Prince George 100-88 on the local hardwood. Shooting ace Bob Hott sank 45 with Bill Haddox adding 16 to the losing cause.

Potomac State, playing with two new faces Neal Hott and Bob Thompson, lost a hard fought battle to Johnstown 85-77 on local court. Bobby Hott hit for 20 with Neal Hott sinking 20.

Baltimore Junior College handed the Cats another loss 98-75 on the home floor. Neal Hott chipping 20. The Potomac State College quint put on a great shooting display in the second half against Allegany Community College, but on the Cumberland boards went a heartbreaking finish, ACC won 98-95. Bobby Hott scored 35 and Bob Thompson meshed 20.

The starting five of PSC continued to wonder what they must do to win after racking up 99 points only to lose to

Bainbridge Naval Prep. School 109-99 on the local hardwood. Bobby Hott netted 30, followed by Neal Hott's 17, Bob Thompson's 16, and Mike Lynch's 14. On their first road trip, the Catamounts dropped their ninth consecutive game to Wesley College 99-73 at Dover, Del. However, Bobby Hott still managed to score 23 with Bill Haddox adding 16. The next night the Cats lost another heartbreaker to Catonsville 85-83. Neal Hott hit for 23, Marty Williams added 22, and Bobby Hott chipped in 20.

On the second road trip, Montgomery Junior College used a devastating scoring attack to trounce the Cats 138-86. Neal Hott netted 17. The next night, the Cats rallied from a 38-30 halftime deficit to break an 11-game losing streak and won 73-63, defeating Anne Arundel Community College. Bob Hott regained his scoring touch and netted 28, followed by Bob Thompson with 15.

The Cat quint ran into a strong rebounding club in Beckley and went down to defeat by a 91-72 count on the home boards. Bobby Hott led scoring with 26, Bob Thompson 16 and Neal Hott chipped 19. Potomac State battled back from a 20-point deficit with about 21 minutes to go to knot the score at 95-95 only to lose in overtime to Harford Junior College 108-102 on the home floor. Bobby Hott burned for 35, Williams 24, Thompson added 13, and Neal Hott 14. Essex College overcame a 33-point outburst by PSC's Bobby Hott to dish out the locals 14th setback in 16 games by 84-75 in a double bill at ACC gym.

Potomac State journeyed to Shenandoah Community College only to win 72-68 on sharp-shooting of Bobby Hott, with 22, and defense set up by Bill Haddox. In the season's finale, State won a 97-66 victory over Charles College, with Bob Thompson dropping 24 and Bobby Hott, 21, ending 4-14.
